## Health centre opened at USTM campus

STAFF REPORTER

GUWAHATI, Nov 28: The Techno City health centre of the University of Science and Technology, Meghalaya, (USTM) was inaugurated by Dr MN Baruah, Managing Director, North East Cancer Hospital and Research Institute (NECHRI) today at the Amenity Centre of the varsity's 9th mile campus.

The health centre has been established with the aim to serve the local communities living around the USTM campus, apart from the students and staff members of the varsity.

On the occasion, a free health

check-up was also organised for the local people.

During his address, the chief guest Dr MN Baruah expressed his concern for today's young generation who are becoming victims of tobacco consumption and drug addiction. He urged the students to guard against tobacco addiction and be responsible towards themselves and society at large.

Dr Baruah praised the University authorities for opening such a healthcare facility not only for the students and staff, but also for the local communities.

M Hoque, Chancellor of the University, while addressing the

gathering said that the students need not have to go outside the campus now for minor medical assistance, as they can avail the facility inside the campus itself. He further said that the University is looking forward to a collaboration with NECHRI, which will expand the scope to start different courses related to health sciences at USTM.

The other distinguished guests present were Dr WS Khonjirem, Dr DK Nath and I Goswami, the administrative officer from NECHRI, Pro Vice Chancellor Dr RK Sharma and the Chief Medical Officer Dr Ismail Hussain, said a statement.

## ICGS launch will help promote Gandhian philosophy in NE: Governor

ITANAGAR, Jul 9: The International Centre for Gandhian Studies (ICGS) was set up at the University of Science & Technology, Khanapara, Meghalaya today with Arunachal Pradesh Governor J P Rajkhowa launching the ICGS.

Speaking on the occasion, the Governor said that Mahatma Gandhi's thoughts are always relevant- be it in the past, the present and the future. He expressed hope that it will facilitate in promoting the philosophy of Gandhi on peace and brotherhood among the youth of the Northeastern region.

While lauding the initiative of the University authority, the Governor said that the Centre is unique and praiseworthy. He also commended the Education Research & Development (ERD) Foundation for establishing an institution of higher learning with modern infrastructure in Meghalaya for the benefit of the students of the NE region.

The Centre aims to spread the vision, philosophy and teachings from the life of Gandhi through various social, educational and cultural programmes, emphasizing upon the contemporary relevance of his thoughts and method of action based upon the principles of courage, non-violence and truth.

Later, the Governor also inaugurated the state-of-the-art Amenity Centre at Techno City, USTM.

In his speech, USTM Chancellor M Hoque said that the Amenity Centre would not only provide recreational facilities to students but also extend employment to around 300 people.

The Amenity Centre has become an ideal model of entrepreneurship, he added.

## Girls' Hostel at USTM inaugurated

SHILLONG, DEC 9: Deputy Commissioner of Ri-Bhoi district of Meghalaya, Dr. Shama Pandey, had inaugurated a Girls' Hostel of University of Science & Technology, Meghalaya (USTM) at Kling Road, Mile, said a press release. The hostel named after Late Pascal Suchiang, a renowned social worker of the greater area who had contributed a lot for development of the university. The inaugural ceremony was attended by Shieamon Kharjarin, wife of Late Pascal Suchiang; M. Hoque, Chancellor of USTM; Prof. P. K. Abdul Azis, Vice Chancellor and other high officials of the university. The present the hostel is being construct-

ed as a Assam-type building which will be later converted to RCC type. The girl student boarders of the hostel are provided with all the state-of-the-art modern facilities and amenities. After the inauguration, Dr. Pandey interacted with the students of the university and motivated them for different competitive examinations. She promised the students that she would visit them from time to time for more such interactions. Dr. Pandey was very happy and enthralled to see the rapid growth of the new university in the region under her jurisdiction. She had also taken note of the depleted condition of the Kling Road and assured for its betterment, the release added.
