Preface

I have great pleasure in placing before you the Fourth Annual Report of the UNIVERSITY OF SCIENCE AND TECHNOLOGY, MEGHALAYA (USTM) covering the period, April 01, 2015 to March 31, 2016.

The USTM is an institution dedicated to the cause of high quality science and technology education and advanced research in frontier and cutting edge areas leading to the creation of a University where innovation, invention and entrepreneurship remain the perpetual focus and thrust. We believe that Science and Technology will build a new India that fulfills the dream of millions of people in this country.

USTM is a young university. The idea has taken shape after two years of deliberations carried out by the Education, Research and Development Foundation with eminent educationists, former Vice Chancellors, distinguished scientists and public figures of the North East under the leadership of Mr. Mahbubul Hoque, an educationist and Chairman of the ERD Foundation. I am fortunate to have joined the University family on 2nd June 2014 as its Vice Chancellor.

It has been a wonderful and active year with number of academic programmes and increase in the number of students taking admission at USTM. The progress of work during the year in each school is presented through list of staff, student's strength, publications, books published; seminars attended/ conducted and research projects ongoing. The first Ph D scholar has successfully become eligible for the award of the degree working on a socially relevant problem of North East. The state regulatory agency MPURB has made it's inspection of the university during the year.

The university has signed MoU with Tezpur University, NIT, Silchar and Bangladesh University of Health Sciences for greater academic collaboration and also for academic mentoring of the University. Number of MoU's are signed with other agencies for academic progress.

The university community was blessed with the presence of dignitaries like Dr APJ Abdul Kalam, former President of India, Prof Talat Ahmed, VC , Jamia Milia Islamia University; Prof SK Sopory, VC, JNU, Delhi and other VC's of the universities in the North East and outside in various programmes.

The Hon'ble Chancellor of the University has received the "EDUclussion Award" given by Engineering Watch in Singapore, for his contribution to the education sector, while the VC has received the "Eminent Engineer Award" from Institution of Engineers, India and "Distinguished Alumni Award" from NIT, Warangal.

The University has started its journey with a mission and vision to create an inclusive, barrier free and open environment for higher education. The founding of this University is an investment in the future of this nation and in the future of generations of youth. I appeal to everyone associated with this University to give nothing less than the best.

I thank the Hon'ble Chancellor, Mr. Mahbubul Hoque for his vision and dynamism with which he is nurturing the University. The endeavor is to create a University of international standard in this part of the nation. We, the University Community shall stand up as a team and make it happen. I thank the Faculty, Staff, Students, Advisors and ERD Foundation for their cooperation and support.

Dr P G Rao
Ph D (IIT,M), FNASc,
FIE, FIChE, FAPAS, HFABP

A handwritten signature in dark ink, appearing to read 'P.G. Rao', written in a cursive style.

P.G.Rao
Vice Chancellor, USTM

From the Chancellor's Desk

To materialize and achieve any goal, teamwork is most important. A journey that began with 6 students and 5 faculty members in the year 2011, now has a strength of more than 2200 students and 213 faculty members. This leap was possible because of the trust & belief of the students and the blessings & support of many eminent personalities, academicians community as a whole and also my strong team, which made USTM one of the fastest growing private Universities in the entire North East India having all the statutory approvals of UGC, AICTE, NCTE and BCI etc.

I am very grateful to the Members of the Legislative Assembly of Meghalaya, especially to the then Chief Minister, Dr. Donkuper Roy and Hon'ble Former Governor of Meghalaya, Shri R S Mooshahary who have given the birth of this university.

You will be happy to know that USTM had already hosted a large number of National and International seminars, Conferences and Workshops on topics of current significance where high level dignitaries including Former President of India Late Dr. A.P.J. Abdul Kalam, Governors and Chief Ministers of different States, Vice Chancellors of some of the top class Universities of the country and other distinguished guests had graced on many such occasions.

It is disheartening to note that no University in India could be able to find its place in the top 100 Universities of the world. We have set up the milestones under the **Mission USTM** as “**Mission Bronze**”, to make the University as one of the Best in the East by 2020, “**Mission Silver**”, to become one of the Best in India by 2025 and the “**Mission Gold**”, to become a **Word Class University by 2030**. My colleagues are working relentlessly for achieving this dream with the constant guidance, supervision and expertise from renowned academic fraternity of the region.

Let us make an Oxford or Cambridge like University in this part of the country and I am quite hopeful that we can.

Hope everyone will support and pray for us to make it a worldclass destination of knowledge.

M. Hoque
Chancellor, USTM

ABOUT USTM

The University of Science & Technology, Meghalaya (USTM) sponsored by ERD Foundation, is the 1st Private University on Science & Technology in the entire North East, established with the basic motivation of encouraging the advancement, dissemination, development and application of knowledge. USTM, has a Curriculum & the provision of range of courses of study and research built up to meet the educational needs of this region.

USTM is established in an ideal & strategic location just one km from GS Road, Baridua, 9th Mile, Ri-Bhoi District of Meghalaya. It is only 6 kms from Guwahati and 85 kms from Shillong. The campus is well connected by Rail & Air which is only 15 kms Guwahati Railway Station & 48 kms from Guwahati International Airport.

The University of Science & Technology, Meghalaya has been established under the provisions of the University of Science & Technology, Meghalaya Act (No.6 of 2008) enacted by the Legislative Assembly of Meghalaya and notified vide Gazette Notification No. LL(B) 87/2008/21, dated 02.12.2008 of Government of Meghalaya. USTM is empowered by University Grants Commission to award degrees as specified under Section 22 of UGC Act, 1956.

USTM has received the following approvals from highest statutory bodies of Government of India—

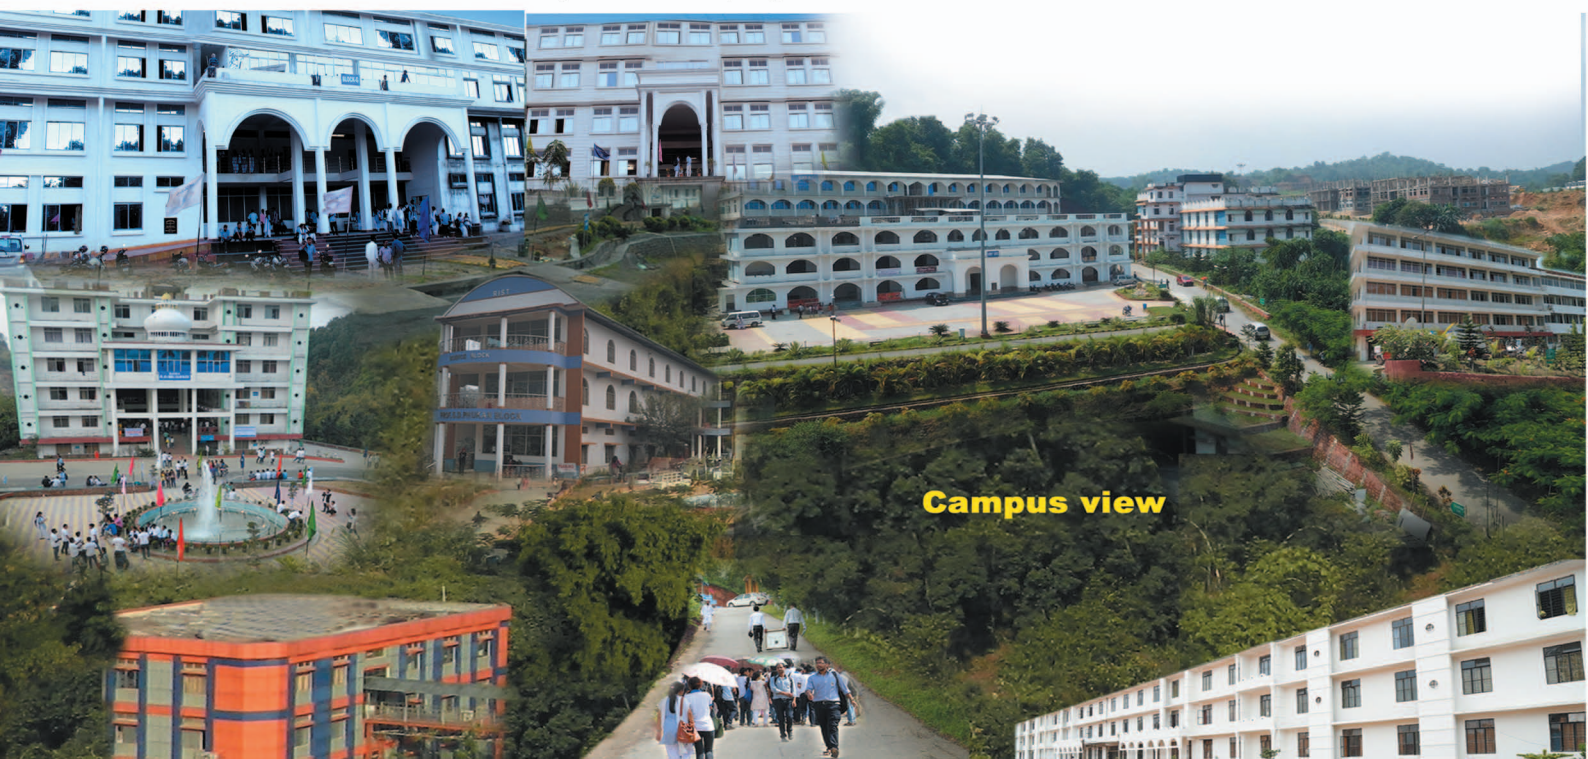

- ▶ University Grant Commission
- ▶ AICTE, New Delhi for MBA program
- ▶ NCTE, ERC, Bhubaneswar for B.Ed. program
- ▶ BCI, New Delhi for BA-LLB & LLB program

The University started its first academic session with 6 nos of students in September, 2011 after the final Notification from the Govt of Meghalaya. In the fifth year now, the University has a total strength of 213 faculty members and 2423 no of students with 523 UG, 1719 PG and 165 Ph.D. students and scholars presently enrolled.

Graduate, Post Graduate & Research levels courses are offered under various schools headed by Deans and—

- ▶ School of Biological Sciences
- ▶ School of Applied Sciences
- ▶ School of Business Sciences
- ▶ School of Social Sciences & Humanities
- ▶ School of Engineering & Technology
- ▶ Prof Qoumrul Hoque School of Education
- ▶ University School of Law & Research
- ▶ School of Allied Medical Sciences

The period of 2015-16 was marked by the visit of eminent dignitaries like Dr. APJ Abdul Kalam, former President of India; Prof. Ved Prakash, Former Chairman, UGC; Shri A.S. Kiran Kumar, ISRO Chairman; Prof. SK Sopory, VC, JNU, New Delhi, Prof Talat Ahmed, VC, Jamia Milia Islamia and VCs of various universities of India to the university on various programmes of USTM.

UNIVERSITY SCHOOLS, DEPARTMENTS & PROGRAMMES

1. School of Applied Sciences

The main objective of School of Business Sciences (SBUS) is to provide quality management education and cater to the dynamic needs of the corporate world. This millennium will be an era of information where new paradigm for management and leadership will be knowledge and connectivity. The course curriculum at SBS has been structured in such a way that the students imbibe the necessary basics and get exposed to specialized knowledge, prerequisite for becoming a proficient manager & corporate leaders. The department of Business administration, USTM offers full time BBA & MBA (approved by AICTE) programme. The focus of the department is on imparting quality management education and the course curriculum has been designed keeping in mind industry specific needs. It is based on teamwork and uses a number of pedagogical methods, including case-studies with a lifelong framework of practical and intellectual skills that will serve them throughout their career. Details of departments and Courses under the School are given below:

Sl No	Departments	Courses Offer	Duration (Semester)	Intake	Enrollment 2015
1.	Chemistry	M. Sc.	4	90	90
		Ph.D.	6	04	02
2.	Earth Science	M. Sc. (Environmental Sc.)	4	15	15
		MA Geography	4	80	75
		Ph.D.	6	04	03

2. School of Biological Sciences

The School of Biological Science (SBOS) aspires to excel in research and teaching with the mission to create new knowledge about biological processes and principles, and to disseminate the same by educating and mentoring students/scholars, about both the factual knowledge and experience of discovery in biology. We aim at enriching knowledge on the natural resources of the region which are yet to be exploited. Special importance is given on the human resource development by way of training the young talents from the North East, so that competent groups of scientist as well as technical personnel are available for advanced R & D in the country. The main objective of the School is to become a pioneer of modern interdisciplinary biological sciences by integrating emerging disciplines with biological sciences. Details of departments and Courses under the School are given below:

Sl No	Departments	Courses Offer	Duration (Semester)	Intake	Enrollment 2015
01	Applied Biology	B Sc. (Biotechnology)	6	60	60
		M Sc. (Biotechnology)	4	40	40

		Ph.D.	6	04	03

4. School of Engineering and Technology

The School of Engineering and Technology (SOET) envisages ushering a new era of technical education in the North Eastern part of India and proposes to introduce several courses and programmes. The Deptt. Of Computer Science and Electronics under the school has start functioning to meet the growing demand for qualified professionals in the field of Information Technology. This programme is inclined more toward application development and thus has more emphasis on latest programming language and tools to develop better and faster applications. The programme in Electronics focuses on electronic components and circuits that are used in computers, mobile phones and other modern instruments for better control and performance. Details of departments and Courses under the School are given below:

SI No	Departments	Courses	Duration (Semester)	Intake	Enrollment 2015
01	Computer Science & Electronics	BCA	6	30	25
		B Sc.(Electronics)	6	20	8
		MCA	6	40	24
		M Sc.(Electronics)	4	20	12
		Ph.D.	6	04	02

5. School of Social Sciences & Humanities

The School of Social Sciences and Humanities [SSSH] has been established with the objectives of inculcating scientific temper and enhancing technical knowledge with humane and social values, besides, of course, emphasizing on “humanistic-social stem” of science and engineering curricula. It envisions to develop a hub of teaching and research having a global impact through superb and finest programmes, as evident from the various curricula for undergraduate and post-graduate students. The School has a much articulated role in preparing students to be leaders and global citizens, and training them how to work, lead and strive in cultures around the world. It intends to convey a message favouring application of science to common purpose of life. Social Work emphasizes on producing young trained professionals who understand the meaning of social work and position them to take up jobs in various social service sectors in the region.. Students are exposed to real environment by organizing study tours, rural camps, seminars and panel discussions on burning issues faced by the poor and deprived sections. Details of departments and courses under the School are given below:

Sl No	Departments	Courses Offer	Duration (Semester)	Intake	Enrollment 2015

6. Prof Qoumrul Hoque School of Education

Prof Qoumrul Hoque School of Education focuses on imparting quality teachers' education and the course curriculum has been designed keeping in mind the academic specific needs. The B. Ed. Programme under the School is approved by National Council for Teachers Education (NCTE), ERC, Bhubaneswar. PQHSE uses a number of pedagogical methods, including case-studies, lectures, simulations and integrative exercises. Our curriculum provides the students with a lifelong framework of practical and intellectual skills that will serve them throughout their career. Initiatives have been taken to open teacher education programme to strengthen the quality of both pre-service and in-service teachers. PQHSE provides the right atmosphere to develop an ideal Teacher out of an individual, the program aims to groom students into a competent Mentor with Multi dimensional & Multi tasking ability, inculcating spiritual and moral values and imparting training in productive services. Details of departments and courses under the School are given below:

Sl No	Name of Departments	Courses Offer	Duration (Semester)	Intake	Enrollment 2015
01	Education	B. Ed.	4	100	55
		Ph.D.	6	06	06

7. University of School of Law & Research

The University School of Law and Research approved by Bar Council of India (BCI) is an initiative of USTM to impart quality education in legal discipline in the region. The basic aim of the school is to impart quality education in law as a developing discipline, thus, satisfying the requirement of legal aspirant of the region. The comprehensive program aims at clarifying the basic legal concepts of the students. The internship program is aimed at providing practical education to the students while research spirit aims at innovation and contribution to the field. Rule of law is the basic norm of a democratic society. Law as a discipline of study is emerging in both quality and quantity in India. Today National Law Schools in India are serving as platform for quality education in law with continuous effort to further develop and enhance the same. In order to cater to the increasing number of students in this field which one Law School of the region fails to meet this University took humble initiative without compromising the quality. Law is a multidisciplinary subject. Law is inalienable from arts as well as science and technology. Hence law governs the society, the druggist or the digital-world. Various specializations can be obtained in Law like specialization in the Constitution, in Criminal Law, Business Law etc. The University of Science and Technology has undertaken this humble initiative to impart specialized education in various legal disciplines from the session 2015-2016.

INFRASTRUCTURE

INFRASTRUCTURE

USTM imbibe the best practices, so that students get the best environment to pursue their dreams.

ADMINISTRATIVE BLOCK

The 25,000 sqft Administrative Block houses the Office of the Vice- Chancellor, the Office of the Registrar, the Examination Branch and the Accounts Section along with a 200 capacity Conference Hall.

ACADEMIC BLOCKS

The Academic Blocks namely Block-C, D, E, F, G, H and Annex, houses the classrooms and laboratories of various departments.

BLOCKS	AREA (Sq ft.)	DEPARTMENTS
Block C	85,000	Business Administration, Commerce & Economics, Library & Information Sc., Physics, Computer Sc & Electronics
Block E	38,000	Applied Biology, Zoology & Botany
Block F	15,000	Botany
Block G	42,000	Sociology, Social Work, Political Sc., English, B.Ed., & Rural Development
Block H	36,000	Chemistry & Earth Science
Annex Block	5,000	University School of Law & Research

Classrooms

Wi-Fi enabled campus, with state of art Classrooms & Tutorial rooms equipped with modern teaching learning aids to facilitate Technology enabled Learning. All classrooms at USTM campus are spacious and provide the most conducive atmosphere for dynamic and focused discussions. Classrooms at USTM have been designed to bring together analysis with action and are augmented with integrated audio-visual teaching aids for lectures, presentations etc.

Laboratories

Well equipped and specialized laboratories in the field of Biotechnology, Microbiology, Tissue Culture, Food Technology, Botany, Zoology, Biochemistry, Geography, Chemistry, Environmental Science, Physics, Electronics, Psychology, GIS, Computer have been developed to conduct practical and research work.

MAULANA AZAD CENTRAL LIBRARY

The Maulana Azad Central Library, USTM, caters to the needs of the students and faculty members as a creative and innovative partner in supporting the teaching, learning, and research activities of the University. There is a rapid increase in the library's collection of books and journals/periodicals in both, print and digital form, using state-of-the-art facilities. The computerized Central Library facility & Book Bank has an estimated volume growth of up to 70,000 Books, Journals, Magazines, & periodicals to cope up with the needs of the entire USTM community.

COMPUTER CENTRE

Computer Center equipped with 300 plus high end computing devices backed up with academic alliance from Microsoft, Oracle etc; proposed to be expanded to networked environment housing 1000 plus terminals. Internet facility has been given to these computers to help the students to communicate and update with latest knowledge through webportals.

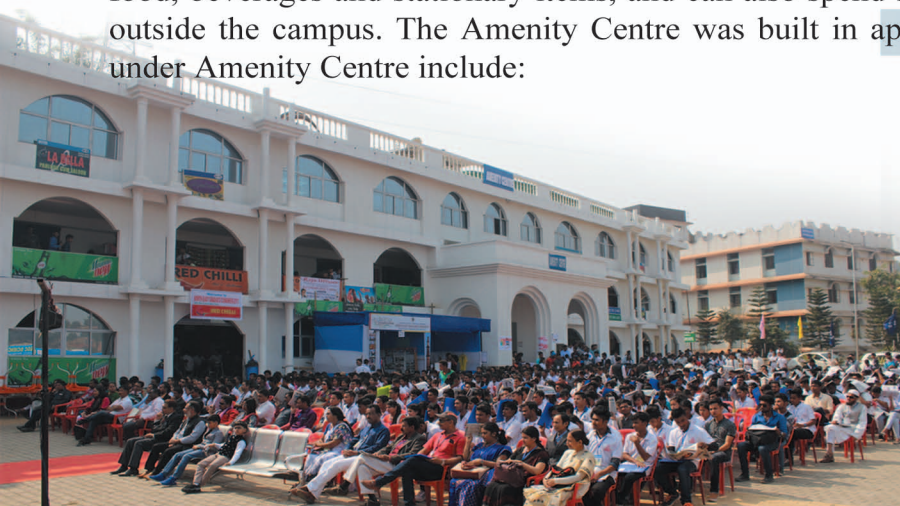

HOSTEL ACCOMMODATION

USTM offers hostel facilities for boys and girls separately with all modern amenities. Caring wardens and a vigilant security ensures a pleasant stay allowing students to focus on academics. All hostel mess has menus that are designed by a team of professional dieticians, offering nutritious and wholesome food to ensure a well balanced diet.

AMENITY CENTRE

The Amenity Centre provides recreational facilities to students and has been built to fulfill the purpose of serving the students of the varsity under one roof. In the Amenity Centre, the students can avail food, beverages and stationary items, and can also spend leisure time for which they need not to go outside the campus. The Amenity Centre was built in approximately 10,000sqft of area. Facilities under Amenity Centre include:

Canteens

Healthy nutrition is needed for all-round performance. Hence, all cafeterias of USTM serve healthy and hygienic food to the students and staff. A variety of healthy food option of snacks, juice and other eatables are provided at affordable prices.

Health Centre

Health and wellness are vital issues relevant to the academic success of students at USTM. USTM Health Centre, the in-houses health care centre makes conscientious efforts for the overall development of its staff & students by providing preventive, curative and promotion programs to enhance optimal health reduce risk of disease and injury and promote healthy lifestyle choices.

On-Campus Bookshops and Students Stationeries

Books, greeting cards, stationery etc are all available in the bookshop of the amenity centre. Printing, Photocopy, Book Binding and other related facilities required for fulfilling various project works, assignment etc are provided in the centre.

Techno City Campus News

The techno city campus news is a unique concept materialized in techno city campus. The idea behind is to disseminate daily campus related information, happenings, sharing the achievements of the students and other national and international news so that our students can remain up-to-date about the happenings of the world. Daily at the lunch break the news is aired.

MEMORANDUM OF UNDERSTANDING

USTM Signs MoU with University of Dhaka

A MoU has been signed between the University of Dhaka, Bangladesh (UDB) and the University of Science & Technology, Meghalaya (USTM) on May 12, 2016 at UDB campus. The MoU was signed by the Honorable Vice Chancellor Prof AAMS Arefin Siddique on behalf of University of Dhaka and Dr P G Rao on behalf of University of Science & Technology, Meghalaya, in presence of Shri Mahbubul Hoque, Chancellor, USTM & other high official of both the University

USTM Signs MoU with Gauhati University

A MoU has been signed between Gauhati University (GU), the oldest state University in the North East region of India and the University of Science and Technology, Meghalaya (USTM). The MoU was signed by Dr. Mridul Hazarika, Vice-Chancellor, Gauhati University on behalf of Gauhati University and Shri Mahbubul Hoque, Chancellor, USTM, on behalf of University of Science and Technology, Meghalaya in the Office of the Registrar, Gauhati University on April, 7th 2016.

USTM Signs MoU with Jamia Millia Islamia, New Delhi

A MoU has been signed between Jamia Milia Islamia University, New Delhi (JMI) and the University of Science and Technology, Meghalaya (USTM). The MoU was signed by Prof. Talat Ahmad, Vice-Chancellor, JMI on behalf of Jamia Milia Islamia University and Shri Mahbubul Hoque, Chancellor, USTM, on behalf of University of Science and Technology, Meghalaya in the Office of the Vice Chancellor JMI, New Delhi on May, 5th 2016

USTM Signed MoU With JNU, New Delhi

A MoU has been signed between Jawaharlal Nehru University (JNU) and the University of Science and Technology, Meghalaya (USTM) in New Delhi. The MoU was signed by Prof. S. K. Sopory, Vice-Chancellor, JNU, New Delhi on behalf of Jawaharlal Nehru University and Shri Mahbubul Hoque, Chancellor, USTM, on behalf of University of Science and Technology, Meghalaya in presence of high officials of JNU & Prof Akhtar Siddique, former Chairman, NCTE in the Office of the Vice-Chancellor, JNU on the 25th of January, 2016.

USTM Signs MoU with Tezpur University

A MoU has been signed between Tezpur University and the University of Science and Technology, Meghalaya (USTM) on December 13, 2014. The MoU was signed by Prof. Amarjyoti Choudhury, Pro- Vice Chancellor, TU, on behalf of Tezpur University and Dr P G Rao, Vice Chancellor, USTM, on behalf of University of Science and Technology, Meghalaya in presence of high officials of both the universities. Tezpur University recently begged the “Visitor’s Best University Award” and ranked 5th among all Indian Universities in NIRF ranking by Ministry of HRD Govt. of India.

USTM Signs MoU with NIT-Silchar

A MOU was signed between National Institute of Technology, Silchar (NITS) and the University of Science and Technology, Meghalaya (USTM), on November 29, 2014. The MOU was signed by Prof. N. V. Deshpande, Director for NIT Silchar and Shri. Mahbubul Hoque, Chancellor of University of Science and Technology, Meghalaya in the presence of Directors and representatives of various NITs of the North Eastern region and high officials of CSIR and USTM. The collaboration provides that NITS will guide USTM in academic promotion, research, infrastructure and placement and higher education to stop the exodus of North East students outside the region for higher education and job opportunities.

USTM sign MoU with Bangladesh University of Health Sciences

University of Science and Technology, Meghalaya (USTM) has signed an MoU with Bangladesh University of Health Sciences (BUHS), a university that strives to create multidisciplinary environment in biomedical research involving biological, chemical, clinical as well as social sciences, on March 15, 2015.

The MoU was signed by Mahbubul Hoque, Chancellor, USTM, on behalf of USTM and by Dr. Liaquat Ali, Vice Chancellor, BUHS on behalf of BUHS in the presence of the team from Bangladesh and high officials of USTM.

The MoU decrees the exchange of faculty, students, and administrators between the universities. Both USTM and BUHS will facilitate visits and interchange of research staff for research, development, and teaching purposes. Both the universities agreed to cooperate with each other and facilitate R&D activities through joint research given the advantage of natural plant diversity of the NE region and Bangladesh.

WELFARE ACTIVITIES

Free Admissions for Meritorious Poor Students & Toppers

USTM and ERD Foundation has taken an initiative to support and provide free education to the exceptionally meritorious students from families belonging to Below Poverty Line (BPL), as they cannot afford the financial liability of such courses. At present more than 300 students are enrolled in various Undergraduate and Postgraduate courses under the scheme. Students who passed from USTM under the BPL Scheme are now engaged in various reputed organizations making the efforts of USTM & ERDF fruitful. Special Relaxation in fees is given to the exceptionally meritorious students belonging to various backward minority and tribal communities of NE region.

USTM and ERDF sponsors free admissions to the toppers of the branches of different Universities of North East region in available courses under different schools at USTM.

A reservation of 33% for Girl Students in all the branches under different schools at USTM is implemented to encourage and promote higher education of girls. Special preference is given to the students from backward and underprivileged sections of the society.

Welfare Schemes for University Community

USTM is committed to nation-building beyond education. By its support and initiation of social welfare activities the University and ERD Foundation has created possibilities for equitable social development of the region. Scholarships:

With the objective of encouraging meritorious students and academic excellence, Scholarships/ Awards are offered to deserving students of the University by the ERD Foundation. A number of scholarships and financial aids for undergraduate and postgraduate students are offered. The scholarships are merit based. Merit cum Award Tests are held every year by the Foundation and the students who do well are awarded scholarships. The office of the Dean, Students' Welfare also processes various scholarships instituted by the state governments for students belonging to Scheduled Castes and Scheduled Tribes as well as those instituted by Private Trusts and Foundations. Support is also available to students belonging to economically weaker sections of the society through the Students Aid Fund.

Interest Free Loan

USTM and ERD Foundation believe in providing better working environment to its employees. To facilitate the same and boost the morale of its employees, the Foundation provides interest free loan for the purpose of marriage, purchase of car/ two wheeler, house hold items etc.

Welfare Bank

A "Welfare Bank" is constituted at USTM where all the faculty members, staff and students contributes Re. 1 everyday to serve the members of University community in need. An amount of Rs. 5lakhs was initially contributed to the "Welfare Bank" by ERD Foundation. The members of USTM family can avail interest free loans for a certain period and in urgent need.

Rehabilitation of Students from Strife Affected Areas

A total number of more than 12 students from the strife affected areas of Bodoland Territorial Autonomous District (BTAD) have been rehabilitated in USTM with free admission and accommodation in various undergraduate & postgraduate courses.

AWARENESS CAMPAIGNS

Talks, rallies, street plays, photo exhibitions etc are the media used by the USTM to spread awareness on social issues mentioned above. Students from USTM take active part in these social campaigns thus, instilling a strong sense of social responsibility. The University not only shows its students the way to be successful professionals but also responsible citizens of the country.

11 DEC 2009

Sub: - Establishment of University of Science & Technology, Meghalaya as a Private University.

Sir,

With reference to letter No. ERDF/UST/UGC - 01-2009 dated 25th September, 2009 received from Sh. M. Hoque, Chairman, ERDF, Guwahati on the cited above subject, I am directed to inform you that University of Science & Technology, Meghalaya has been established by Act (No. 6 of 2008) of State Legislature of Meghalaya as a State Private University and is empowered to award degrees as specified by the UGC under section 22 of the UGC Act 1956 through its main campus with the approval of statutory councils, wherever required.

There is no provision to affiliate Colleges, have Regional Centres and off Campus etc beyond the territorial jurisdiction of the State as per the UGC (Establishment of and Maintenance of Standards in Private University) Regulation, 2003 and the judgment of the Hon'ble Supreme Court in the case of Prof. Yashpal Vs Chhattisgarh.

Keeping in view of the above you are requested to ensure that on the following:-

1. No off campus centre(s) is opened by the University outside the territorial jurisdiction of the State in view of the judgement of Hon'ble Supreme Court of India in case of Prof. Yash Pal Vs Government of Chhattisgarh.
2. In case the University has already started any off campus centre outside the State, it must be closed immediately. It may also be ensured that any off campus centre within the State shall be opened only as per the provision laid down in the UGC (Establishment of and maintenance at standards in Private University) Regulation 2003 and with the prior approval of UGC.

You are also requested to send the information in the prescribed format (copy enclosed) for inspection purpose as per UGC Regulation referred to above.

Sub: -Status of the University of Science & Technology, Meghalaya

Sir,

With reference to your letter no. USTM/VC/UGC/2015 dated 18.09.2015 on the above subject, I am directed to inform you that University of Science & Technology, Techno City, Kling Road, Baridua, 9th Mile, Dist- Ri-Bhoi, Meghalaya has been established by an Act of State Legislature of Meghalaya as a Private University and is empowered to award degrees as specified under Section 22 of the UGC Act through its main campus in regular mode with the approval of Statutory Bodies/Councils, wherever its required.

University of Science & Technology, Techno City, Kling Road, Baridua, 9th Mile, Dist- Ri-Bhoi, Meghalaya is not authorized to open study centre/ off campus centre beyond the territorial jurisdiction of the state as per the judgment of Hon'ble Supreme Court of India in case of Prof. Yashpal vs. State of Chhattisgarh. The University cannot open its centre(s) even within the state as per the provision of UGC (Establishment of and Maintenance of Standards in Private Universities) Regulations, 2003 without the approval of UGC.

The UGC has not granted any approval to the University to open off campus/study centre

Yours faithfully,
