

BCCI awards USTM for Outreach Contribution

HT Bureau

GUWAHATI, Nov 18: Dr B Borooah Cancer Institute (BCCI), Guwahati Monday awarded the University of Science and Technology Meghalaya (USTM) for its contribution towards various outreach activities of the cancer institute.

The award was given on the occasion of the 46th Foundation Day celebration of BCCI. It was received by Dr Balendra K Das, Director Administration, USTM and Mehjabeen Rahman, principal secretary, USTM in the presence of Kuladhar Saikia, IPS, Director General of Police Assam, Dity Barn, Director of Cancer Relief India. The award was handed over by Dr AC Katak, Director, BCCI. Speaking on the occasion, Assam DGP Kuladhar Saikia appreciated BCCI's gesture of honouring institutions for their contribution to the society by way of helping cancer patients, mainly those who come from remote rural areas of the region for treatment in the hospital. It can be mentioned that USTM has been working in collaboration with BCCI and also opened a "Help Desk" for patients at Dr B. Borooah Cancer Institute on April 12 2018 and an MoU for cancer research was also signed between USTM and BCCI on the same day. Currently, MSW students of USTM are facilitating patients' navigation and guidance at the BCCI premises, helping patients to participate in cancer screening camps organised by BCCI, as well as facilitating patients' interaction in OPD along with consultants.

areas of the region for treatment in the hospital. It can be mentioned that USTM has been working in collaboration with BCCI and also opened a "Help Desk" for patients at Dr B.
