USTM awards students

A STAFF REPORTER

Guwahati: University of Science and Technology Meghalaya, located on the outskirts of the city, on Saturday celebrated the success of its 63rd National Eligibility Test/State Level Eligibility Test/Graduate Aptitude Test in Engineering qualified students of 2018-19 by felicitating 33 of the recently successful students under its payback policy.

USTM will return the entire course fee of the successful students according to the unique policy. The objective of the ceremony was to create competitiveness among the students. The function was held at the university's Nirmal Kumar Choudhury Auditorium. Former Assam special director general of police (special branch) Pallav Bhattacharyya was the chief guest while senior gastroenterologist Anjan Kumar Saikia was the guest of honour.

Bhattacharyya said the universities must work for societal development and USTM
