# Celebrations and Commemorative Events

The University of Science & Technology Meghalaya has been celebrating national and international commemoration and events in a regular basis. Every year, various celebrations are organised by the Institution to remind and unite the students, stakeholders and the society about the national and universal aspirations with the objective to advocate patriotism, peace, harmony and brotherhood as well as exert increasing efforts in promoting science, culture, education, duties as citizens, respect for human dignity, freedom of expression, gender equality for sustainable development.

The Institution has been organising and celebrating national and international commemorative days, events and festivals, anniversaries of great personalities who helped shape the civilisation and build the nation.
