

## DEPARTMENT OF ECONOMICS

### ANALYSIS OF STAKEHOLDERS' FEEDBACK & ACTION TAKEN REPORT

#### ACADEMIC SESSION 2015-16

#### **Action taken based on Students' Feedback:**

S. No.	Feedback	Action Taken
1	Environmental Economics should be introduced into the syllabus.	An elective course "Economics of Environment and Social Sector" was introduced in the year 2015.
2	Instead of two agricultural economics paper there should be one paper on agriculture economics paper as optional paper.	After due procedure and receipt of similar feedback from other stakeholders, in 2015 syllabus revision agricultural economics was kept as optional paper only.

#### **Action taken based on Faculty Member's Feedback:**

S. No.	Feedback	Action Taken
1	Class room seminar can be conducted for the students to increase command over course content and also improve presentation skills.	Some classroom seminars are conducted from time to time where the students have to give power point presentation on a given topic, which is expected to enhance their presentation skill and gain more command over course content.

#### **Action taken based on Alumni Feedback:**

S. No.	Feedback	Action Taken
1	Departmental library with study materials for competitive examinations.	A departmental library was started in the department with some few books, where our existing students as well as the alumni has donated some books and cash amount.

#### **Action taken based on Employer's Feedback:**

S. No.	Feedback	Action Taken
1	Student's communication skill and personality development need to be improved.	Student seminars, group discussions have been organised in the classroom among the students to improve their communication skill and personality development.
