Dated Shillong 12th December 2017

Certificate of Appreciation

Right from its inception the USTM has put efforts in making its campus clean & green; they have appointed trained officers to look after various activities in making it eco-friendly.

The campus now witnesses lush greeneries of trees, shrubs and different species of flora.

I congratulate its founder Shri. M. Hoque , for his steps and exemplary action towards conserving our environment. May you flourish in all spheres of life as you march ahead balancing science - environment- imparting knowledge to our future generation- The future of our beautiful State.
