## DEPARTMENT OF EARTH SCIENCE

### ANALYSIS OF STAKEHOLDERS' FEEDBACK & ACTION TAKEN REPORT

#### ACADEMIC SESSION 2015-16

#### Action taken based on Students' Feedback:

S. No.	Feedback	Action Taken
1	Students suggested practicals on GIS and remote sensing	The revision of the syllabus was done with inclusion of the new course 'Practical: Geo-informatics'
2	Students are willing to go for internship with more time duration	It was suggested that interested students can go for internship after end semester examination of second semester and/or third semester as a part of dissertation work.
3	More visiting lectures should be conducted	The department has taken necessary measures and increased the number of guest lectures focusing topics on current issues

#### Action taken based on Teacher's Feedback:

S. No.	Feedback	Action Taken
1	Revision of syllabus with inclusion of new courses and new topics	Following decisions in DC meetings, new syllabus was prepared and approved in BOS meeting on 18-12-2015 with inclusion of new courses and modification of existing syllabus.
2	More students based project work suggested	Various students based projects have been implemented in the department considering the feedback

#### Action taken based on Alumni Feedback:

S. No.	Feedback	Action Taken
1	Personality development/Job interviews skill classes suggested	The training and placement division has conducted adequate number of classes and it will be continued for the next batches.
2	Faculties should initiate for the placement of the final year students	The departmental faculties were asked to be in touch for the outgoing students with information related to job and/or further research prospects.
3	Training programme on GIS and remote sensing	Training programme was planned during summer vacation with invitation of experts from reputed organizations.
