DEPARTMENT OF PHYSICS

ANALYSIS OF STAKEHOLDERS' FEEDBACK & ACTION TAKEN REPORT

ACADEMIC SESSION 2018-19

Action taken based on Students' Feedback:

S. No.	Feedback	Action Taken
1	Hands-on training on trending topics such as Astronomy and Astrophysics can improve quality of learning.	A value added course "Astrophysics and Astronomical Instrumentation" was organized for M.Sc. Physics students, where hands-on training on handling telescopes was given.
2	Syllabus revision and addition of more specializations to be offered	Two more specializations such as High Energy Physics and Laser & Non Linear Optics have been added in the 4 th semester and the MSc syllabus was revised.

Action taken based on Faculty Member's Feedback:

S. No.	Feedback	Action Taken
1	Addition of new experiments in different courses under bachelor's as well as master's programmes.	List of Practical under different courses, both in B.Sc. Physics and M.Sc. Physics have been revised with addition of new experiments.
2	Increase in number of laboratories for research activities.	Several laboratories such as Nano-Fabrication Laboratories and Nuclear Physics Lab. etc. have been set up in the department with required safety protocols.

Action taken based on Alumni's Feedback:

S. No.	Feedback	Action Taken
1	Inclusion of more relevant textbooks and journals for education and research.	Several relevant textbooks have been acquired in the library and library staff introduced the faculty members to various ways to access electronic resources.
2	Organising of workshops/events and field related to research improve learning experience.	M.Sc. students with faculty members attended workshop on 'Accelerator center at GU for North-East Region' and 'FAIR project' of GSI Darmstadt. B.Sc. Physics students went to IIT Guwahati under an outreach program for B.Sc. Physics students, conducted by IITG.
