8. The Doctoral Fellows must stay and work **full time** at the affiliating University / Institute. However, they may go on field work with the express approval of their supervisor. For rest of the period they must continue to work at the concerned University/Institute.
9. The Fellow shall not accept or hold any appointment (paid or otherwise) or receive any emoluments, salary, stipend etc., from any other source during the tenure of the award. However, a doctoral fellow may undertake teaching assignments for not more than four hours a week, assisting in tutorials, evaluation of the papers, laboratory / demonstration work, etc., which may help the scholar as a teacher in future.
10. Further, in case a scholar wishes to undertake a field trip abroad / temporary assignment for a short period for career advancement / research purpose, then ICSSR's prior approval should be obtained. Contravention of this rule will lead to automatic termination of fellowship.

In such cases, the ICSSR may consider to pay contingency grant only. In other cases, the scholar can leave the fellowship by refunding the entire amount already released by the ICSSR. The scholars who have left the fellowship without completion and without informing the ICSSR, are required to refund the entire amount of fellowship released with penalty/penal interest.
16. If, as a special case, a scholar remains on leave due to maternity / medical / extra ordinary circumstances (not to exceed six months) duly approved by the ICSSR, the tenure of fellowship will be extended by that period but the total amount of fellowship will not exceed 24 months.
17. On the completion of the study, the doctoral fellow must mandatorily submit a copy of his / her thesis to the ICSSR, duly approved by his/her Supervisor. The Thesis should be submitted immediately after submission at the university or within the stipulated term of Fellowship of Two Years.
18. Extension of fellowship beyond two years will not be considered under any circumstances. However, extension for submission of Ph.D. thesis may be granted by the ICSSR in exceptional circumstances without any additional financial commitment.
19. The selected fellows are expected to do full time research in India. They could, however, undertake data collection outside India in exceptional cases, if warranted by the needs of the proposal. For this, they are required to apply separately for consideration under the Data Collection Scheme of the International Collaboration Division of ICSSR and the decision of the ICSSR in this regard will be final.
20. The ICSSR reserves the right to publish the Ph.D. Thesis funded by it, provided the work is recommended for publication by the ICSSR Expert Committee.
21. The scholar must acknowledge ICSSR's support in all Publications resulting from the research output of the fellowship (a near standard acknowledgement is given in the Guidelines) and submit both a hard and soft copy of the same to the ICSSR.
22. A fellow is not entitled for same type of fellowship more than once. While accepting Doctoral fellowship from the ICSSR, a fellow should not accept any other fellowship from any other University / Institute.
23. The final authority related to the interpretation of the guidelines or any issue left is vested with the ICSSR.
