### Road show held at USTM

STAFF REPORTER

GUWAHATI, May 15: A road show of the North East Research Conclave (NERC) 2022 organised by University of Science and Technology Meghalaya (USTM) in collaboration with IIT Guwahati, showcasing research and development activities, was held at the USTM campus

The main objective of the NERC was to showcase the research and developments of the Northeastern States and institutions at the national and global scenario. In this context, the NERC 2022 road show began from May 7, starting from the IIT Guwahati campus.

The programme aims at boosting an awareness drive about a mega event

on sustainable science and technology where all the coordinating institutions of the Northeast chosen by IIT Guwahati and USTM will take part at the IIT Guwahati campus from May 20 to 22.

On Thursday, the drive at USTM was participated by students, research scholars, faculty members, and staff of the university.

USTM vice chancellor GD Sharma delivered the welcome address in the presence of Shivam Mishra, Papu Kumar Navak, Dudul Das and Sanjay Soni from IIT Guwahati, among others. The vote of thanks was offered by Saikat Majumdar, assistant professor in the Department of Rural Development and coordinator of the
