# DEPLOYMENT PLAN

2021-2022

**University of Science & Technology,  
Meghalaya**

# Preface

COVID 19 pandemic continued and the University was not operational from the campus physically. Only online classes were being conducted. The campus continued to be closed as per government guidelines. University could not complete the strategic plan taken up for deployment in 20-21. We could only do deployment against the item “Establishing Science Museum in the Campus” and the Zoology Museum was set up. Against “Construction of Guest House with hi-tech facility”, the work could be advanced but not completed. Therefore, the Deployment Plan of 20-21 is being kept in continuation as Deployment Plan for 21-22 since the 3<sup>rd</sup> wave of COVID pandemic has been forecasted to impact daily life.

## **University Strategic goals (2021-22)**

- Establishing organic food processing centre
- Promotion of school inside campus
- Streamlining of medical project
- Establishing Science Museum in the Campus
- Construction of guest house with hi-tech facility

### Deployment of Strategic planning (2019-20)

Establishing organic food processing centre	<ul style="list-style-type: none"> <li>• To set up a centre for converting organic raw materials like different spices available in North East Region into processed food</li> <li>• To construct lab and install required machines for the processing centre</li> <li>• To allot a special premise for conducting the process hygienically and without any factor of contamination</li> </ul>
Promotion of school inside campus	<ul style="list-style-type: none"> <li>• To set up a school inside the campus</li> <li>• To make proposal to central board/ state board for affiliation of the school</li> </ul>
Streamlining of medical project	<ul style="list-style-type: none"> <li>• To prepare the plot for medical college</li> <li>• To apply to the concerned bodies for recognition and affiliation of the college</li> <li>• Construction of the building will be initiated</li> </ul>
Establishing Science museum in the campus	<ul style="list-style-type: none"> <li>• To construct the building</li> <li>• To procure interactive science exhibit for the museum</li> <li>• To gather objects of scientific discovery and technological innovation to exhibit in the museum</li> </ul>
Construction of guest house with hi-tech facility	<ul style="list-style-type: none"> <li>• To construct guest house for making the stay of guest memorable</li> <li>• To provide free wi-fi in the guest house</li> <li>• To install CCTV in the guest house</li> <li>• To install fire alarm in the guest house</li> </ul>
