A Group photo with all the Faculties

USTM Chancellor Mr Mahbulul Hoque extends a gesture to encourage research and innovation by rewarding faculties with certifiactes and cash rewards for outstanding performance in research. The intiative is carried out every month since January 2022 for overall development of research and innovation in university. This incentive is awarded based on the academic performance of Staff and Faculty which is reflected in publication of books, book chapters, research papers, patents of National and International repute. This is also done to encourage the faculty members to submit proposals and secure funded research projects from various funding agencies from India and Abroad. 117 faculties have received incentives up till now for outstanding performance in publishing **Books, Research Paper etc in UGC recognized Journals as well as for Patent Filing and Publishing.**
