

Clean & Green Campus Recognitions & Awards

Unveiling Excellence

UNIVERSITY OF SCIENCE & TECHNOLOGY MEGHALAYA

GREEN ASSAM AWARD

CERTIFICATE

In acknowledgement of its sustained, dedicated and sincere efforts towards environmental research, conservation of biodiversity and maintenance of hygiene, cleanliness and greenery in the campus, Morigaon College and Anti Global-Warming Society jointly present "GREEN ASSAM AWARD" certificate to University of Science and Technology, Meghalaya on the 6th of June, 2022.

Additionally the University deserves laurels for spreading environmental awareness beyond its campus by being a model Institute in itself.

Green Assam Award-22 presented to USTM

CORRESPONDENT

MORIGAON, June 8: The Green Assam Award-22, introduced jointly by Anti Global Warming Society and Morigaon College, was formally presented to University of Science and Technology, Meghalaya (USTM) at a function held at Morigaon College on Monday.

The award was formally handed over to Chancellor,

USTM, Dr Mohibul Hoque by Dr Noni Gopal Mahanta, Professor, GU, and Adviser to the Department of Education, Govt of Assam.

Addressing the gathering, Dr Mahanta said that pollution caused by destruction of forests has led to a very dangerous situation for mankind as a whole. He appealed to the student community to observe Environment Day every day.

USTM Chancellor Dr

Hoque, speaking on the occasion, appealed to the students to create awareness in society about the ill-effects of the destruction of the environment.

The meeting was presided over by Dr Leela Kanta Borthakur, principal, Morigaon College. In the function, the Green Morigaon Award was also handed over to Hitesh Sarma, president, Morigaon Prakriti Premi Manch.
