CENTER FOR CAREER GUIDANCE

The Career Guidance and Counselling operations at the USTM have been an integral part of its academic vision and implementation. Since its inception, the University has sought to incorporate the best practices and agendas to realize the dual objective of providing necessary direction and training to enhance and secure the future of its students and at the same time, provide the necessary counseling to the students as an enabling and assistive factor to make the right choices based on right aptitude, right assessment, and right profiling.

Vision: The Center for Career Guidance provides relevant academic and career information to enable students to make informed decisions along the way. Our focus is to provide learning/training opportunities in the areas of academic, career and personal development and to prepare students to meet their future challenges. All students feel prepared to forge their own unique paths in which their values, interests and work align.

Mission: To empower students to develop the insights, experience and connections to pursue personally meaningful careers throughout their lives.

Objectives: The Center for Guidance Cell has been established in the college to provide guidance to achieve following objectives:-

- To provides guidance to the students on various options available in the course of their study
- To identifying and developing students abilities and interests.
- To develop positive attitude and behavior in order to meet the required challenges.
- To create awareness among the students for their future Profession.
- To provide information to the students on the scope and relevance of any area irrespective of their field of interest.
- To recognize their strength and overcome the weaknesses.

The following units under this center function in their respective focus areas

Counselling and Guidance Cell – Counseling Activities which include pre-admission counseling and post-admission counseling for academic progression and career-related guidance.

University Finishing School – UFS’s focus is primarily on the personality development and orientation of the students to enable them to face the challenging world of employment.

Training and Placement Division – T&P activities include pre-placement training, placement opportunity creation, coordination with employers, and arranging campus placement drives.

UNIVERSITY OF SCIENCE & TECHNOLOGY MEGHALAYA

GUWAHATI, April 28: The Training & Placement Division of the University of Science and Technology Meghalaya (USTM) today celebrated a glorious chapter of placement of its students by facilitating more than 150 students who have been recruited by reputed organisations in the recent campus placement drives. The event was graced by

GD Sharma, Vice Chancellor, Dr BK Das, Pro VC, Dr RK Sharma, Advisor USTM and more than 2000 students at the Central Auditorium of USTM. Addressing the proudly placed students, Chancellor M Hoque said that selecting a good organisation to work with is very important. In this context, Nurmahmud Ali, Director, Training & Placement Division, USTM, said, "We had 56 recruiters and around 10 more in the pipeline. A few prominent companies which graced our campus are TCS, WIPRO, Bandhan Bank, Deloitte, ICICI Bank, Dalmia Bharat India LTD, Tech Vajra, Aditya Birla, ADP, Bajaj Allianz, Reliance Jio, Kotak

Life Insurance, Marico India & many more". He stated that 350 students have got placed in this academic session. Shah Juhin Akhtar, who did BBA and was placed in a global HR company ADP, said, "I feel grateful for the opportunities this university has provided me. From internships to industrial visits, I have gained practical insights into the corporate world. I would like to express my sincere gratitude to the Training & Placement Department, USTM, for their dedication and hard work in bringing some of the top companies to the university."

Assam CM attends VC with the top brass of the Assam Police

Assam Rising, Guwahati, April 28: Smart policing is the need of the hour to handle the new age of organisational and conventional crime. This was said by Chief Minister of Assam, Dr Himanta Biswa Sarma in the course of a video conferencing with the top brass of the Assam Police, including the IGP and the Principal Secretary, Home and Political, at the Assam House here on Thursday. For realisation of the smart policing vision, the Chief Minister strongly advocated for removing the 'dead wood' from the police force - habitual drinkers, those with extreme obesity and with charges of corruption against them - to turn the force into a responsive and action oriented one. "A robust and resilient force is the need of the hour with a high state of fitness (with proper intake of diet and regular exercises) that can result the better of crime on a difficult
