### **Accessible Awareness Ride by Physically Challenged Launched from USTM**

Hon'ble Chancellor Mahbulul Hoque delineated that "The 'I Can I will Academy' of USTM is for the especially abled talents of the region. Under the outreach initiative of the University, this Academy is supporting this Accessible Awareness Ride which is in the tune of the Government of India's Accessible India Campaign". He referred that inclusivity and equality for all is a mission of USTM and in the I Can I Will Academy the physically challenged persons can get education and skill training for their development. The ride is undertaken by 6 physically challenged persons by 3 retro-fitted scooty with pillion facility. It will cover 2500 kms connecting 28 districts of Assam in 10 days.

Ride for Awareness under I Can I Will Academy

## Experimental Learning in Schools by the Department of PQSE

Prof. Qoumural Haque School of Education, USTM provided three sewing machines for the stitching program in Jorbil Upper Primary School in Kling under its project to initiate the stitching training for the school students. The program was inaugurated by Prof. Gayatree Goswamee, Dean, School of Education in the presence of Guest of honour Prof Abdul Matin and Mr Paul Eketush Momin, Principal, Jorbil Upper Primary School, teachers, students, villagers and others. The project aimed at providing an opportunity for the students from remote areas to self- suffice themselves through hands on skills activities like stitching, basket making, dairy farming etc.

Experimental Learning in School at Jorbil

## CHILDREN'S DAY CELEBRATED

Today, Hon'ble Chancellor, Vice Chancellor, other High Officials, Faculty Members and Students of USTM celebrated Children's Day with the children of neighboring villages. The celebration took place in the Amenity Centre with floral tribute to Pandit Jawaharlal Nehru, address by Hon'ble Chancellor, songs by USTM students, dancing and distribution of chocolates and sweets by the Chancellor and other officials.
